Newsletter 31st March 2023

This week has been a very busy end to our Spring Term. Children in Nursery and Foundation visited Crownhill Garden Centre as part of their 'Things that Grow' topic. The children looked at all the different plants they had for sale. All of the children also had the opportunity to plant their very own sunflower seed to bring home. We are looking forward to seeing lots of photos of the sunflowers as they grow in your gardens!

Children in Year 3 and 4 completed their Egyptian topic this week with a fashion show to share their final destination - Egyptian Collars. The children had a WOW Day, and thoroughly enjoyed coming to school dressed in Egyptian costumes. They used their creativity and enquiry skills to design and make their own Egyptian collars and used their sewing skills to create their final pieces. The finished product looked great and it was lovely to see so many parents join us for their fashion show.

As part of our School Improvement Plan, we celebrated children who have attendance of 96% or more with an afternoon movie in the school hall this afternoon. We also recognised the achievements of the children whose attendance has improved over the term too. Well done to everyone who received an attendance certificate today.

I hope you all have a relaxing Easter Break and we look forward to welcoming you back to school on Monday 17th April 2023.

Mrs Kathryn Catherwood

Head of School

Weekly attendance for 27th March - 31st March

The UK Government expectation is 96%. We are striving for children to achieve this as there is a direct link between attendance and achievement.

This week, our whole school attendance is **88.5%**

This week's winners are : **Cape Town Class** and **Canberra Class**

LONDON	87.4
NAIROBI	80.5
MOMBASA	89.1
CAPE TOWN	93.8

SAN FRANCISCO	90.0
TOKYO	81.3
SANTIAGO	85.4
CANBERRA	93.9
DUBAI	85.0
OSLO	92.5

Communication and Reminders

We use **ParentPay** as our main method to communicate **important messages**, send weekly newsletters, book breakfast and after school club, payments for school dinners, clubs, educational visits (including residential) and discos.

As a school, 20% of our ParentPay accounts have **not** been activated. If you do not currently have access to your ParentPay account, **PLEASE** speak to Mrs Searle or Mrs Powney in the school office.

We kindly ask that all parents sign into their ParentPay account and ensure that their personal details are correct.

We ask that you ensure a mobile number and email address has been added to your account, so all future information is received.

IT IS IMPORTANT THAT YOUR DETAILS ARE ALWAYS KEPT UP TO DATE!

Some of you may have received an activation letter for ParentPay this week.

You may already have an account but we would like to highlight the importance of adding all your children.

If a message is sent for a specific child, in a specific class and you have not added that child, you will not receive those messages.

If you need support with adding children or activating an account for the first time, please ask Mrs Powney or Mrs Searle.

START OF THE SCHOOL DAY

Our school gate leading to the playground will remain open until 9:10am every morning.

Please use this entrance only when bringing your child to school.

Reception entrance via the staff car park must not be used before this time. You will be asked to walk around, unless there has been an arrangement made with Mrs Catherwood or Mrs Powney.

In the unusual event of your child arriving extremely late for school, after 9:10am (gates closed), the reception entrance should be used to ensure that your child is registered and their lunch choice has been taken.

Please be aware that crossing patrol is available for children arriving to school between 8:30 and 9am each morning. There will be NO crossing patrol after 9am each morning.

Important reminder: the school register is taken at 08:55am!

Children arriving after this time will be registered late, which has an enormous impact on attendance figures. By law we are required to register in this way. On average around 10% of our children are registered late everyday!

If your child is unwell please phone the school before 08.55am every day that they are unwell.

Let's work on improving our attendance together!

If you need support with this, please let us know.

Oak Villa Car Park

Following an incident, please ensure any parents using the Oak Villa Car Park take care when driving and parking, and hold your child's hand, if appropriate, when walking through the car park. This is to ensure that all children remain safe whilst arriving and leaving school each day. We appreciate your continued support with this to support our school community.

Medication at School Including Inhalers

At the end of each academic year all medication including inhalers in school should be sent home.

This enables us to ensure new consent is obtained at the start of an academic year.

Unfortunately, many of our consents are out of date. Recently, letters were sent home to parents/carers of children with out of date consent. A few have come back, but many are outstanding. Without consent your child's medication **cannot** be administered. If you are unsure if this affects your child please see Mrs Powney at the school reception/desk.

After Easter any inhalers that are not in their original boxes with a prescription label will be sent home along with any that are out of date. Therefore, it may be a perfect opportunity to ensure that inhalers are obtained from your GP over the Easter break for those who are asthmatic, ready for your child's return to school. Asthma is a very serious condition and none of us want to risk an incident where an asthmatics inhaler is unavailable.

For further information on the school's policy on Administering Medication please see below. (Full version of the document and our Health and Safety Policy can be found on our website).

SUPPORTING CHILDREN WITH MEDICAL CONDITIONS POLICY

Approved and signed by the Board of Trustees

Renewal Date: May 2024

Managing medicines on school premises and record keeping

At Discovery Multi Academy Trust the following procedures are to be followed:

- Medicines should only be administered at school or nursery when it would be detrimental to a child's health or school attendance not to do so;
- No child under 16 should be given prescription medicines without their parents written consent (see template B) - except in exceptional circumstances where the medicine has been prescribed to the child without the knowledge of the parents. In such cases, every effort should be made to encourage the child or young person to involve their parents while respecting their right to confidentiality;
- It is trust policy to **not** administer non-prescription medication on school premises
- Where clinically possible, medicines should be prescribed in dose frequencies which enable them to be taken outside school hours;
- The trust academies and nursery will only accept prescribed medicines, with written permission from parent/carer that are in-date, labelled, provided in the original container as dispensed by the pharmacist and include instructions for administration, dosage and storage. The exception to this is insulin which must be in-date, but will generally be available to schools inside an insulin pen or a pump, rather than its original container;
- All medicines will be stored safely in a locked first aid cupboard/fridge. Children should know where their medicines are at all times. Where relevant, they should know who holds the key to the storage facility.
- Medicines and devices such as asthma inhalers, blood glucose testing meters and adrenaline pens should be always readily available state where and not locked away. Asthma inhalers should be marked with the child's name.
- During trips the first aid trained member of staff will carry all medical devices and medicines required;
- We will keep all controlled drugs that have been prescribed for a pupil securely stored in a non-portable container and only named staff will have access. Controlled drugs should be easily accessible in an emergency. A record should be kept of any doses used and the amount of the controlled drug held in the school;
- Staff administering medicines should do so in accordance with the prescriber's instructions. The trust's academies and nursery will keep a record (see template C and D) of all medicines administered to individual children, stating what, how and how much was administered, when and by whom. Any side effects of the medication to be administered at school should be noted. Written records are kept of all medicines administered to children. These records offer protection to staff and children and provide evidence that agreed procedures have been followed;

You can book for individual dates and do not have to sign up to the whole week at Weston Mill Primary School. We have strict criteria for those who are eligible to attend our programme. To attend you must receive Benefit Related Free School Meals. Upon signing up you must provide us with your unique Fit and Fed code, which your school will provide for you, alternatively head to the Plymouth City Council website and search for the Fit and Fed Eligibility Checker.

Children are only able to attend for a maximum of 4 days across the 2 weeks of Easter. That includes booking onto different venues across the half term, a maximum of 4 days for all venues combined.

The days will run from **9am until 3pm** and will consist of a variety of different sporting activities and will include some nutritional activities where the children will spend some time learning about the importance of a healthy lifestyle. Children who attend the course will be provided with lunch each day, however, it is recommended that children bring plenty of fluids with them which can be taken outside when participating in the sporting activities.

Spaces are strictly limited to **24 spaces per day** and will be offered on a first come first serve basis. Please could we ask parents to only book onto the days in which the children will be attending to allow us to offer these spaces out to other children who are eligible.

Please be warned if your child is not eligible for this programme their booking will be cancelled.

If you would like your child/children to take part in the day/days, please book by visiting the following link: <https://officialsoccerschools.co.uk/argyle/courses.html>

FREE NSPCC Online Safety Workshops for Parents & Carers

The NSPCC is running a series of free **Online Safety Workshops for Parents & Carers**.

Core Content - The workshops are 1 hour and will help parents and carers to find out about:

- What children and young people are doing online
- Parental concerns
- What the risks are for young people in terms of what they see, do, and who they meet online
- How to manage these risks as a parent/carer
- Sources of help and support

Each workshop will also focus on a combination of the following topics:

- Gaming
- Social Media
- Online Bullying
- Parental controls
- Mental health and well being
- Modelling good behaviour
- Online challenges, hoaxes and scams
- Persuasive design and screen time vs screen use

We would encourage that a lead professional from your setting is present on the training, so that you are aware of any concerns and can follow up appropriately. You will also benefit from hearing the same key messages as your parent/carer community. However, this isn't mandatory.

For more information and to request joining details please email parentworkshops@nspcc.org.uk

STRATEGY #7
INSTEAD OF "HOW WAS YOUR DAY?"...

... TRY REMEMBER TO REMEMBER

Some of the teachers across have been reading this book and are keen to share some of the strategies with you. These are things that we will be using in our classrooms and HUTs but also things that the group have used to support their own children and families at home. If you would like further information or ideas to support your child's behaviour please contact your schools Family Support Worker.

School Uniform.

Over the last few weeks we have noticed children coming to school wearing the incorrect uniform. As part of our home-school agreement, we ask that our children come to school dressed in their school uniform and with the correct PE kit. Your child's class teacher will have notified you of PE days, but we recommend having a PE kit in school each day. Please see details of the our school uniform below.

School uniform at Weston Mill is as follows:

Navy jumper or sweatshirt

White or light blue shirt or polo shirt

Grey trousers or skirt

Black school shoes

PE kit:

White t-shirt

Plain Black/Navy shorts or jogging bottoms

Trainers

Gifted Women Employability Programme

What can I expect?

Over 12 group work sessions we will spend time together as a group of women who are all there to support each other through this exciting new chapter. The group is lots of fun and sessions are always interactive and (hopefully) never boring!

We will:

- work on our self confidence together.
- work on our communication skills.
- think about how we look after ourselves and stay well.
- have fun and make new friends who will be cheering us on.
- think about our goals and plan for the future.
- look at how we manage our money and making sure we're on the right benefits etc.
- look at what kind of jobs we could do.
- start thinking about how we could find a job if we wanted one, and prepare for that.
- learn about what would be expected of us in workplace.
- have the option to do a work experience placement in a local business.

We will not:

- be made to find work.
- have our benefits messed up.
- have to do anything we aren't comfortable to do.

THE GROUP RUNS ON WEDNESDAYS FOR 12 WEEKS, ON MUTLEY PLAIN
