Dear Parent/Carer

**PLYMOUTH SCHOOL ADMISSION
ARRANGEMENTS 2022/23**

I am writing to let you know the arrangements for entry to a Plymouth grammar school for September 2022.

Grammar schools in Plymouth take children according to their performance in the 11-plus examination which will be held in the September preceding the year of admission.

- If you wish to apply for a place for your child at a Plymouth grammar school, you will need to complete a registration process in order that your child can sit the examination in September. If they do not sit the examination in September, their application will not normally be considered in the first allocation round.
- Regardless of whether or not your child takes the 11-plus examination, you will also need to complete the common application form available from your home LA between September and 31 October 2021. If you do not complete this form, your child will not be eligible to be considered for a school place in September 2022.
