Headteacher's update

Dear Parents and Carers,

As we reach the halfway point in term three, we thought it might be nice to capture a few moments of reflection from some of the children related to their experiences so far.

Year five have sadly said goodbye to their daily visit to the Life Centre and their swimming lessons. Here are some reflections from them:

Amelia: Before I went, I couldn't swim – after two weeks I'd learnt to swim on my front and on my back. In week three I learnt a lot about lifesaving.

Sienna: On my first day, I was really nervous but by day two I really enjoyed it. Today was our fun day – we got to go on the slides and jump in. We played with the water toys which was great fun.

The maths trip last week really linked well to the value for the week of being ambitious. Our AIM high mathematicians really enjoyed their visit:

Travis: We got the chance to do lots of mini puzzles with shapes and dominos. The puzzles were both fun and hard. I managed to solve most of them but some were really tricky.

Vihana: I was able most of the tricky puzzles, they were pretty fun as well. Even though they were tricky I never gave up.

Aneya: My favourite part of the day was when we had to try and make a rectangle out of dominos where they had to add to seven. It was fun to meet children from the other schools and I sat next to one of them on the bus.

Mason: Most of the activities were really hard, I made a rectangle out of seven, but I had to use all of the dominos. By the end I felt really tired, but I also felt really smart.

Next week sees the return of partner in the health service to administer the fluoride application for children in both Foundation Stage and Year One.

We also wish Year 4 (Tan Dun Class) the best of luck as they prepare for their class assembly which will take place on Friday next week.

Keep an eye out for reminders on Social Media.

Thank you all for your ongoing support. We hope you have a wonderful weekend.

Best wishes,

Weston Mill Team

Attendance

We are continuing to strive for our attendance target of 96% and are making some progress to achieving this and ensuring our children regularly attend school to achieve success. If your child's attendance is less than 90%, you will be asked to attend an attendance meeting with Mrs Gleed. It is important that these meetings are attended to ensure that we are providing the right support for your child to continue to attend school regularly. Our attendance policy can be accessed using the following link:

[Weston Mill Community Primary Academy - Policies](#)

A gentle reminder to parents that contact **must** be made with school on your child's first day of absence and each day until they return to school. If you do not provide a reason for your child's absence, this will be recorded as an unauthorised absence and could result in a penalty notice being issued by Plymouth City Council. Arriving late for school after 9.10am will also be recorded as an unauthorised absence.

Weekly attendance for 20th January to 24th January

The UK Government expectation is **96%**. We are striving for children to achieve this as there is a direct link between attendance and achievement .

This week, our whole school attendance is **94.2%**

This week's winners are : **DUN Class, HOLST Class** and **MOZART Class**.

MOZART	96.4%
PRICE	92.7%
ZIMMER	92.6%

BRITTEN	87.8%
DUN	95.9%
HOLST	95.9%
TCHAIKOVSKY	94.9%

Our Learning

'The children in Nursery enjoyed exploring the Space Tuff Tray. They used the tweezers to find the twinkly stars hidden in the glittery foam. We heard lots of new words such as; "it's so soft". "it smells like bubblegum". "i made a line".

The children extended their play by using their fingers to mark make in the foam.

Our Learning

This week Nursery/Brahms class have started visiting the Library. The children will be bringing books home that they have chosen themselves. Please ensure these are returned to school every day.

Reading to your children from an early age helps develop their cognitive development and ability to hold concentration. It enables children to build their communication and language skills!

Enjoy reading with your children 📖

Our Learning

What a wonderful week of learning we have had already! Mozart Class have been continuing their superhero writing in Literacy for 'Juniper Jupiter' and loved creating dens and hideouts practising their rescuing skills. We have learnt facts and the names of the planets, creating them using colouring mixing and marble painting. In Maths we have explored number bonds to 5 and partitioning into 2 groups. The children have shown great confidence and enthusiasm for exploring new skills this week. We are very proud of them!

Our Learning

Zimmer Class was very lucky today to have some visitors to come and talk to us about oral health.

We watched a video about Geoffrey the Giant who doesn't like to look after his teeth and has never visited the dentist! With the help of his friends Geoffrey learns some important key oral health messages which are vital to help keep his mouth and teeth healthy. Some of the things that Geoffrey and his friends taught us were: how often to clean our teeth, how often to visit the dentist and when is the best time to have sugary treats. It was a fun way to learn how to look after our teeth. At the end, we received a book and some goodies to help us look after our teeth!

School Uniform

Please ensure that your child comes to school each day wearing the correct school uniform. If you require additional items of school uniform, please speak to Mrs Lavers who will be more than happy to help from our spare uniform.

here's a 10% discount code for your parents to save money on uniform from [MyClothing](#).

Head Lice

Dear Parents

RE: HEAD LICE

Following a few cases of head lice at school, please use the information on this sheet when you look through your child's hair.

FOR THE FOLLOWING TREATMENT OF HEAD LICE WE ADVISE THE FOLLOWING: -

IT IS MUCH EASIER TO CHECK FOR HEAD LICE IF YOU HAVE WET HAIR.

Wash your child's hair and rinse.

Put conditioner on the hair and comb through (roots to ends) with a head lice comb. Rinse off conditioner as normal.

If you find head lice, please repeat this every day for ten days. You should then get rid of all the lice.

Please repeat for each member of the family, if you find head lice.

If you have big problems please visit your GP surgery, where they may prescribe lotion to treat.

PLEASE NOTE THAT EGGS NEED TO BE TAKEN OUT ONE AT A TIME. COMBS OR LOTION DO NOT GET RID OF THEM BECAUSE THEY ARE GLUED TO THE HAIR.

Please see the NHS advice below for further information.
