Headteacher's update

Dear Parents and Carers,

What another fantastic week here at Weston Mill Community Primary Academy. Despite only one week left of term, we have continued to move the school forward and introduced a set of brand new 'Golden Rules' which we feel will support the learning and behaviour within the school, whilst also offering clear expectations and one shared language from Nursery to Year 6. These posters have been added to every classroom and are being used by all members of staff and children.

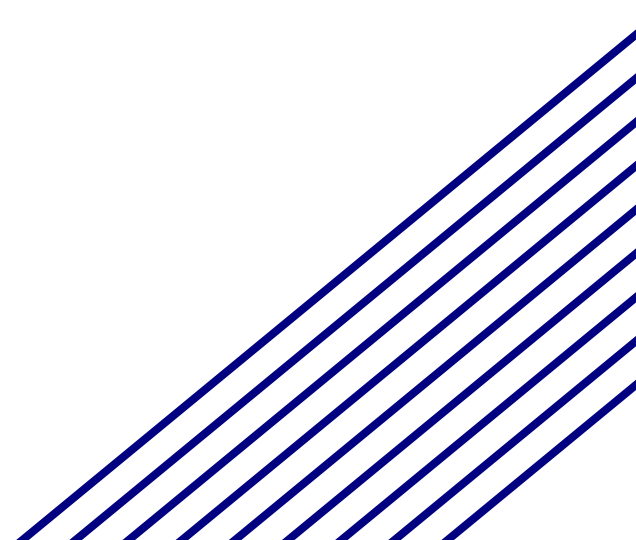

This week, we have been incredibly proud of the Year 6 children who have worked very hard to complete their end of key stage two assessments (SATS). We are all impressed with their efforts and know they have tried their best. Well done Year 6 – you have earned a restful weekend!

As we approach the final term of this academic year, we will begin to share some of the exciting trips, visits and experiences planned for the children within the school such as the London residential, Sports Week and the Summer Fayre. We cannot wait to share our exciting plans with you and look forward to the weeks to come.

Have a wonderful weekend.

Best wishes,

The Weston Mill Team

General Notices

Attendance

We are continuing to strive for our attendance target of 96% and are making some progress to achieving this and ensuring our children regularly attend school to achieve success. If your child's attendance is less than 90%, you will be asked to attend an attendance meeting with Mr Mann. It is important that these meetings are attended to ensure that we are providing the right support for your child to continue to attend school regularly. Our attendance policy can be accessed using the following link:

A gentle reminder to parents that contact **must** be made with school on your child's first day of absence and each day until they return to school. If you do not provide a reason for your child's absence, this will be recorded as an unauthorised absence and could result in a penalty notice being issued by Plymouth City Council. Arriving late for school after 9.10am will also be recorded as an unauthorised absence.

Weekly attendance for 12th May to 16th May

The UK Government expectation is **96%**. We are striving for children to achieve this as there is a direct link between attendance and achievement.

This week, our whole school attendance is **93.2%**

This week's winners are : **DUN Class**, and **PRICE Class**.

Year 5

Year 5/Holst/Mrs Hewlet Bikeability Event w/b 19th May 2025

Bikeability Training – Year 5

Next week, our Year 5 children will be taking part in Bikeability Level 1 and 2 training. This national programme helps children develop the skills and confidence to cycle safely, starting in the playground before progressing to local roads. With sunny weather forecast, please ensure your child comes prepared with sun cream, a sun hat for breaks and a water bottle to stay hydrated. The children should come to school wearing their PE kit each day, including trainers suitable for cycling. We're excited to see our children grow in confidence and develop vital road safety skills!

Book your Year 5 child's place on the following link.

Year 6

Year 6 – You’ve Made Us Proud!

This week, our fantastic Year 6 pupils completed their SATs with determination, focus and resilience. Fuelled each morning by a delicious bacon sandwich – a huge thank you to Mrs Seaman and our amazing team - they approached each test with a positive attitude and gave it their all.

We are incredibly proud of every single one of them. These tests reflect just one aspect of their learning in English and Maths on a single day, but they don't capture everything that makes our Year 6s so special - whether that's being a kind friend, a creative artist, a talented sportsperson, or a motivated learner.

To celebrate their incredible effort and attitude, the children have enjoyed a well-deserved treat day today. Well done, Year 6, you truly are amazing!

On Tuesday, Key Stage 2 enjoyed a visit from a representative of Parliament who led an engaging assembly on British Values. The session explored Democracy, with pupils learning how general elections work and how MPs represent their constituencies and Rule of Law, focusing on how laws are made in the House of Commons and House of Lords.
