Newsletter 6th October 2023

We have had another busy week. Year 6 had a fantastic time at STEMFEST this week the National Marine Aquarium. The children were Marine Biologist and discovered and explored the ocean and the creatures that live in it. The children learnt about Charle Darwin, his voyages and scientific discoveries. The children also used their STEM skills to develop scientific investigations and pursue lines of enquiry. Photos will be shared this afternoon on Facebook of this trip.

Next Friday, will be our first Parent Forum meeting. I would like to thank the parents who have already contacted Mrs Powney to register their interest. This is a great opportunity for parents to contribute to discussions about our school and the opportunities we provide for our children. Please email Mrs Powney on westonmill.desk@discoverymat.co.uk if you would like to attend this meeting next Friday 13th October at 9am.

We are seeing an increase in the amount of lost property being collected in the reception area. If your child has lost any items of school uniform, please check as it may be within our lost property area. Please can I ask all parents to check that their child has not brought home a pink Next coat which has gone missing this week from a child in KS1. If your child has taken this home by mistake, please can we ask that it is returned to Mrs Powney in the school office so that it can be returned to its owner.

We hope you all have a lovely weekend.

START OF THE SCHOOL DAY & ATTENDANCE

Our school gate leading to the playground will remain open until 9:10am every morning.

Please use this entrance only when bringing your child to school.

Reception entrance via the staff car park must not be used before this time. You will be asked to walk around, unless there has been an arrangement made with Mrs Catherwood or Mrs Powney.

In the unusual event of your child arriving extremely late for school, after 9:10am (gates closed), the reception entrance should be used **PLEASE SIGN YOUR CHILD IN, GIVE REASON FOR LATENESS AND ADD LUNCH CHOICE.**

Please be aware that crossing patrol is available for children arriving to school between 8:30 and 9am each morning. There will be no crossing patrol after 9am each morning.

Important reminder: the school register is taken at 08.55am!

BEING LATE AFFECTS YOUR CHILD'S ATTENDANCE

Children arriving after this time will be registered late, which has an enormous impact on attendance figures.

After 9.10am it is recorded as an **unauthorized** absence. By law we are required to register in this way. We must also report to the **Educational Welfare Officer** if your child has had over a certain amount of unauthorized absences

On average around 10% of our children are registered late everyday!

If your child is unwell please phone the school before **08.55am every day** that they are unwell.

Let's work on improving our attendance together!

If you need support with this, please let us know.

Please see our Attendance Policy

IMMUNISATION ADVICE TO PARENTS AND CARERS - THE NEW SCHOOL YEAR

Starting or returning to school is an exciting time for children, but as they will be mixing with lots of other children, making sure they are up to date with their routine immunisations gives them the best protection from what can potentially be very harmful infections. But if you're not sure if your child has had all of their vaccinations, you can check their personal health record (their red book), or if you have questions, you can contact your child's doctor's surgery. If you have any concerns about vaccinations, you can read more about them on the NHS website. There are also vaccination tips for parents and carers to help your child's vaccination appointment go smoothly. The NHS also has helpful information online to help parents and carers know how long their child should be kept off school when they are ill. It's important that vaccines are given on time for the best protection, but if you or your child missed a vaccine, contact your GP to catch up.

Managing medicines on school premises and record keeping

At Discovery Multi Academy Trust the following procedures are to be followed:

- Medicines should only be administered at school or nursery when it would be detrimental to a child's health or school attendance not to do so;
- No child under 16 should be given prescription medicines without their parents written consent (see template B) - except in exceptional circumstances where the medicine has been prescribed to the child without the knowledge of the parents. In such cases, every effort should be made to encourage the child or young person to involve their parents while respecting their right to confidentiality;
- It is trust policy to **not** administer non-prescription medication on school premises
- Where clinically possible, medicines should be prescribed in dose frequencies which enable them to be taken outside school hours;
- The trust academies and nursery will only accept prescribed medicines, with written permission from parent/carer that are in-date, labelled, provided in the original container as dispensed by the pharmacist and include instructions for administration, dosage and storage. The exception to this is insulin which must be in-date, but will generally be available to schools inside an insulin pen or a pump, rather than its original container;
- All medicines will be stored safely in a locked first aid cupboard/fridge. Children should know where their medicines are at all times. Where relevant, they should know who holds the key to the storage facility.
- Medicines and devices such as asthma inhalers, blood glucose testing meters and adrenaline pens should be always readily available state where and not locked away. Asthma inhalers should be marked with the child's name.
- During trips the first aid trained member of staff will carry all medical devices and medicines required;
- We will keep all controlled drugs that have been prescribed for a pupil securely stored in a non-portable container and only named staff will have access. Controlled drugs should be easily accessible in an emergency. A record should be kept of any doses used and the amount of the controlled drug held in the school;
- Staff administering medicines should do so in accordance with the prescriber's instructions. The trust's academies and nursery will keep a record (see template C and D) of all medicines administered to individual children, stating what, how and how much was administered, when and by whom. Any side effects of the medication to be administered at school should be noted. Written records are kept of all medicines administered to children. These records offer protection to staff and children and provide evidence that agreed procedures have been followed;
