Headteacher's update

A huge well done to our Year 6 children who completed their SATs this week. We are all so proud of how the children have approached the tests with such positivity and maturity. The tests are only a snapshot of English and Maths and do not show the hard work that the children have put into all subjects during their time in school. These tests do not show the talents that the children have. The children should be very proud of themselves and we hope you all have a well-deserved, restful weekend.

It was lovely to welcome parents of Bolt Class into school this afternoon for their class assembly. The children did a fantastic job - well done!

A reminder about the Disco next week - if you would like your child to attend, please book via ParentPay. The final day to pay will be Tuesday at the end of the day.

A final reminder if you would like to complete the form regarding our wrap around provision. Please do so by Wednesday next week.

We hope you have a wonderful weekend

Attendance

We are continuing to strive for our attendance target of 96% and are making some progress to achieving this and ensuring our children regularly attend school to achieve success. If your child's attendance is less than 90%, you will be asked to attend an attendance meeting with Mrs Catherwood. It is important that these meetings are attended to ensure that we are providing the right support for your child to continue to attend school regularly. Our attendance policy can be accessed using the following link: [Weston Mill Community Primary Academy - Policies](#)

A gentle reminder to parents that contact **must** be made with school on your child's first day of absence and each day until they return to school. If you do not provide a reason for your child's absence, this will be recorded as an unauthorised absence and could result in a penalty notice being issued by Plymouth City Council. Arriving late for school after 9.10am will also be recorded as an unauthorised absence.

Weekly attendance for 13th May to 17th May

The UK Government expectation is **96%**. We are striving for children to achieve this as there is a direct link between attendance and achievement .

This week, our whole school attendance is **92.1%**
