Newsletter 17th November 2023

Firstly, I would like to say a huge thank you to everyone who donated cakes for our Children in Need event this year. It was also great to have so many of our families joining us for our Coffee Cake and Calculate event this afternoon. Today we raised an incredible, £432.35 for Children in Need. Thank you once again for your contributions.

Just a reminder about our parent questionnaire which is available for parents to complete. Thank you to the parents who have already completed it. We really value your feedback and suggestions and will review these as part of our next parent forum meeting. The next meeting will be on Tuesday 28th November at 2pm. We are hoping to have, at least, two representatives from each class to attend, but would welcome any parents who are interested to come and join us. The questionnaire can be accessed using the following link: https://forms.office.com/Pages/ResponsePage.aspx?id=F832JFdOpU6VSvFGTtnRUPU_jLCo7JluDzKGRip5eRUQVpHVFVIVTFXQjZaREs2MDg1QVM5TUw0WC4u

This week, we had an orienteering courser installed in our school grounds. We also have a smaller course in the Foundation outdoor area - you may have noticed these. During the Summer Term, we will planning an orienteering event for families to come in and take part in activities with their children. Keep an eye on the school calendar and Facebook for more information.

hope you all have a lovely weekend.

We are excited to share that we are in the process of revamping our weekly spellings! Over the next week, children will bring home usernames and passwords for our new scheme: **Spelling Shed**. They will be able to access fun and engaging games online to practise their weekly spellings. Please be reassured that a paper copy of the week's spellings will also be sent home. Spellings will still be tested weekly. If you have any questions, please do not hesitate to contact your child's teacher.

START OF THE SCHOOL DAY & ATTENDANCE

Our school gate leading to the playground will remain open until 9:10am every morning.

Please use this entrance only when bringing your child to school.

Reception entrance via the staff car park must not be used before this time. You will be asked to walk around, unless there has been an arrangement made with Mrs Catherwood or Mrs Powney.

In the unusual event of your child arriving extremely late for school, after 9:10am (gates closed), the reception entrance should be used **PLEASE SIGN YOUR CHILD IN, GIVE REASON FOR LATENESS AND ADD LUNCH CHOICE.**

Please be aware that crossing patrol is available for children arriving to school between 8:40 and 9.10am each morning. There will be no crossing patrol after 9.10am each morning.

Important reminder: the school register is taken at 08.55am!

BEING LATE AFFECTS YOUR CHILD'S ATTENDANCE

Children arriving after this time will be registered late, which has an enormous impact on attendance figures.

After 9.10am it is recorded as an **unauthorized** absence. By law we are required to register in this way. We must also report to the **Educational Welfare Officer** if your child has had over a certain amount of unauthorized absences

On average around 10% of our children are registered late everyday!

If your child is unwell please phone the school before **08.55am every day** that they are unwell. **Failure to do so will also result in an Unauthorized absence.**

Let's work on improving our attendance together!

If you need support with this, please let us know.

Please see our Attendance Policy

IMMUNISATION ADVICE TO PARENTS AND CARERS - THE NEW SCHOOL YEAR

Starting or returning to school is an exciting time for children, but as they will be mixing with lots of other children, making sure they are up to date with their routine immunisations gives them the best protection from what can potentially be very harmful infections. But if you're not sure if your child has had all of their vaccinations, you can check their personal health record (their red book), or if you have questions, you can contact your child's doctor's surgery. If you have any concerns about vaccinations, you can read more about them on the NHS website. There are also vaccination tips for parents and carers to help your child's vaccination appointment go smoothly. The NHS also has helpful information online to help parents and carers know how long their child should be kept off school when they are ill. It's important that vaccines are given on time for the best protection, but if you or your child missed a vaccine, contact your GP to catch up.

Managing medicines on school premises and record keeping

At Discovery Multi Academy Trust the following procedures are to be followed:

- Medicines should only be administered at school or nursery when it would be detrimental to a child's health or school attendance not to do so;
- No child under 16 should be given prescription medicines without their parents written consent (see template B) - except in exceptional circumstances where the medicine has been prescribed to the child without the knowledge of the parents. In such cases, every effort should be made to encourage the child or young person to involve their parents while respecting their right to confidentiality;
- It is trust policy to **not** administer non-prescription medication on school premises
- Where clinically possible, medicines should be prescribed in dose frequencies which enable them to be taken outside school hours;
- The trust academies and nursery will only accept prescribed medicines, with written permission from parent/carer that are in-date, labelled, provided in the original container as dispensed by the pharmacist and include instructions for administration, dosage and storage. The exception to this is insulin which must be in-date, but will generally be available to schools inside an insulin pen or a pump, rather than its original container;
- All medicines will be stored safely in a locked first aid cupboard/fridge. Children should know where their medicines are at all times. Where relevant, they should know who holds the key to the storage facility.
- Medicines and devices such as asthma inhalers, blood glucose testing meters and adrenaline pens should be always readily available state where and not locked away. Asthma inhalers should be marked with the child's name.
- During trips the first aid trained member of staff will carry all medical devices and medicines required;
- We will keep all controlled drugs that have been prescribed for a pupil securely stored in a non-portable container and only named staff will have access. Controlled drugs should be easily accessible in an emergency. A record should be kept of any doses used and the amount of the controlled drug held in the school;
- Staff administering medicines should do so in accordance with the prescriber's instructions. The trust's academies and nursery will keep a record (see template C and D) of all medicines administered to individual children, stating what, how and how much was administered, when and by whom. Any side effects of the medication to be administered at school should be noted. Written records are kept of all medicines administered to children. These records offer protection to staff and children and provide evidence that agreed procedures have been followed;
